### WATER TOWER RESERVOIR PROJECT

The Village of Big Valley Water Tower Reservoir project is anticipated to start later this week. We will start by putting the water back on Bypass. In this process you may experience water pressure variances, this is normal, however, if it the variance is significant please contact Public Works at 403-741-7989.

You will see work commencing on the Water Tower Reservoir after the tower is pumped out, dried and cleaned. They will start with the interior and then proceeding to the exterior. The completion date is anticipated to be October 20, 2021.

Please call the Administration office or Public Works with any questions or concerns you may have.

### PAVING PROJECT 2021

Council accepted the quote from Horseshoe Paving for the 2021 Paving Project in the Village of Big Valley. As a courtesy to residents, Horseshoe Paving will do additional paving within the Village for residents. If you have a driveway you would like paved while Horseshoe Paving is in town, please contact **Horseshoe Paving directly at 403-784-3712**. The cost associated with your personal paving will be the residents' responsibility and any agreement made between Horseshoe Paving and a Resident will be solely between the two.
