THE BIG VALLEY HISTORICAL SOCIETY

is in desperate need of ACTIVE members. At our last AGM the executive was re-elected (In some cases for the 6 or 7th time, all have served several years. We are tired! Our members are aging and no longer able to do many tasks. There is not necessarily much to do except help in the museums, organize & perform fundraising and perhaps the odd maintenance task or train. If new members can not be found in the future our museums are in danger of closing for good. Our village history is at stake. Please consider taking an ACTIVE role in the historical society. Our next meeting is in August— watch for date, please and time to become part of keeping our history and heritage alive.
