THE BIG VALLEY HISTORICAL SOCIETY

is in desperate need of ACTIVE members. At our last AGM the executive was re-elected (In some cases for the 6 or 7th time, all have served several years. We are tired! Our members are aging and no longer able to do many tasks. There is not necessarily much to do except help in the museums, organize & perform fundraising and perhaps the odd maintenance task or train. If new members can not be found in the future our museums are in danger of closing for good. Our village history is at stake. Please consider taking an ACTIVE role in the historical society. Our next meeting is in August- watch for date, please and time to become part of keeping our history and heritage alive.

Thank you to all the residents who have such beautiful yards. The effort has not gone unnoticed by visitors. Also a huge thanks to our public works team for all their hard work this summer. The Village looks amazing.

Reminder to residents who use the ball diamonds and other areas in the Village to exercise dogs, please be responsible and clean up after your pets.

Any residents who receive their monthly water bill in the mail but would like it emailed, please let the office know, we can set it up to be emailed.
