Let's connect, Big Valley & Elnora!

We're celebrating our 35th anniversary by spreading wealth to ten Central Alberta communities!

The Community Foundation of Central Alberta is embarking on a Community Tour where our goal is simple yet profound: to connect with residents who are passionate about their communities.

This informal event includes:

- Presentation of small grants to local organizations
- Chance to share your insights to guide us in understanding how the Community Foundation can best support your community
- Opportunity to learn how the Community Foundation can help your community, through funding for charitable organizations, fostering collaborations among local groups, or creating a fund that will provide for generations to come
- Snacks and coffee!
