Joke Of The Week: Why can't olympic curlers tell jokes on the ice? Because the ice will crack up.

Did you know that Big Valley has a curling rink? The first curling rink was built in 1919. Once this curling rink came down, a new one arose in 1957 with an upstairs addition years later around 1980. The Big Valley Curling Rink has been so generous to let our Big Valley School students curl over the past few years. Thank you so much for letting us use the rink! Do you want to meet new people and have some fun curling? You should join the Big Valley Curling Club league. Watch for our next update in October that will give you information about the upcoming Curling season. The curling club also has a facebook page, so go and check it out! Until next time...
