Message from the Mayor

Hello to all residents of the village! With the new council now in place I want to share how much we are looking forward to rolling up our sleeves and getting to work for our municipality. We have an awesome community and our strong desire is to ensure it remains that way. Looking for opportunities to continuously improve how services are delivered and establishing plans to address and fund infrastructure deficiencies will be key priorities for us. As is to be expected there will be challenges, but I'm confident we can overcome the obstacles to provide strong, transparent governance. We encourage residents to share their thoughts and concerns so feel free to reach out to any council member if something is on your mind. Respectful constructive discussion will always be welcomed.

Thank You
 Mayor Clark German

Call Jim

It has been brought to our attention that there is the potential for incident...with no snow, the children are still able to ride bikes and scooters, they love the main street hill! They seldom pay attention to traffic. Please look out for them, especially when backing out in front of the post office. There have been a couple of near misses and we would hate to see anyone hurt. Parents please remind children to watch for cars and be careful.
