MERRY Christmas

Big Valley Village Council would like to wish everyone a Merry Christmas and a Happy New Year. May the season keep everyone healthy and safe and full of everlasting memories. Take pleasure in the closeness of our community and check in on your neighbors throughout the season.

Big Valley Village News

Village of Big Valley Staff wish to extend their wishes to you and yours for a safe and merry holiday season. The Office will be closed on December 24th for the Christmas break, and reopening on December 29th to 31st. The Office will also be closed between January 1st and reopening on January 5th.

After the recent snowfall many of our residents have had difficulty clearing their sidewalks. It is nice to see so many snow Angels out there with snowblowers and shovels helping out. That is the true meaning of caring and supporting one another in our small Village. Thank you all.

ELK HAPPENINGS

Well, its time for this scribe to do a little catching up. Our November meeting saw us having a visit from our District Deputy Mathew Koendradt from the Halkirk Lodge. He brought us up to date on District and Provincial affairs. He emphasized on what our Foundation could help in such as fire relief and overall he's available to call on if needed. We had 11 members attending and set up Bingo Crews for Rumsey and Big Valley. Larry Anderson attended and picked up the Community Ladies Christmas cakes and delivered the cakes to Drumheller Senior Lodges.

Our Bingos went very well with 87 and 86 in attendance. We had extra draws for hams at both venues and a lot of people went home happy. Our thanks to all who attended.

Our December meeting and Christmas goodie meeting was held on the 17th. Discussions were held on how we celebrate our 100 year anniversary in 26. Larry Meyer and Greg Mappin delivered Christmas cakes to five Sr. Lodges in Stettler.

Nov Club Draw went to Greg

Looking forward to seeing you then.

Winter is upon us and along with that is snow! Please remember that to be effective, our snow clearing can only be complete if vehicles are NOT left of the street.

Also, please DO NOT shovel snow onto the roads unless absolutely necessary. This creates possible safety issues with snow piles and ice buildup. Priority roads include Railway Avenue, Main Street and bus routes followed by residential streets and lanes. They will get done, please be patient.
