With warmer weather here again, frost is getting heavy on powerlines and poles. Please be aware and have blankets and candles or flashlights on hand should they be required. It is also a good idea to keep some canned foods (tuna, ham etc) that do no require cooking so a sandwich can be made if necessary. We certainly hope that they won't be needed but it is always good to "be prepared".

BIG VALLEY MUNICIPAL LIBRARY

JANUARY 2026

Happy New Year! May the next chapter be your best yet.

We warmly welcome you into the library to see and experience some small, new changes - it's a work in progress and we still have some big dreams up our sleeve but all good things take time, right?

NEW WEDNESDAY HOURS: Starting January 14, the library will be open 1-6 p.m. instead of 2-7 p.m.

COFFEE & TEA NOW AVAILABLE! We are so excited to be able to offer the community a little treat. We are starting small with Keurig flavored coffees and tea and if there is good uptake, we will attempt to expand our offerings. Come grab a cuppa while you browse the library, are waiting to pick the kiddos up from school, or need a pick me up for the drive to and fro. We also offer cozy Apple Cider or Hot Chocolate. \$3 per cup.

Many thanks to **THE FRIENDS OF BIG VALLEY LIBRARY** for purchasing the Keurig machine.

NEW PRINTER: Santa came to the library too! the library is now able to offer really good quality color printing. Because of the quality of printing we can now offer, there is a slight increase to the cost of colored prints. Black and white will remain at \$0.25/page and color will increase to \$1.00/page.

LOOKING FOR PROGRAMMING INSTRUCTORS:
The library is looking for instructors for programming opportunities. Please contact Erin at the library if you have an idea you'd like to discuss.

Follow our Facebook page for frequent updates and notices.
